

Wimberley Lions Market Days

Vendor Information for 2009 Market Days Season

- Results of Vendor poll regarding Sunday operation and closing time on Saturdays: by an overwhelming majority, the vote for Sunday operation in 2009 was “no,” so **there will be no Sunday markets in October, November and December 2009**. The vote regarding closing time on Saturdays was closer, but 4:00pm closing won by a narrow margin. This will also be less confusing in our advertising since 4:00pm is already out there on lots of information. **So we will be open until 4:00pm on Saturdays, March – December. This includes the Lions concession stands and daily renters.**
- **Dates for the 2009 Market Days** are: March 7, April 4, May 2, June 6, July 4, August 1, Sept. 5, Oct. 3, Nov. 7, Dec. 5.
- Enclosed with this mailing are 2 vendor security badges. Please wear these to identify yourself as an annual lease holder. If you need more badges, contact your ambassador.
- **Ambassador information:** The Chair of the Ambassador group is Lee Gibson. If you don't know your ambassador, or you don't know who to ask about a problem, please contact Lee. Her email is lee@shopmarketdays.com.

- Please remember that booth holders are to check in by **7:00am** on Market Days or call Saturday morning if you are going to be late. Some vendors have not followed this rule, and have been arriving as late as 8-9:00am, which causes big problems and delays with daily rental. If you know in advance that you are not going to attend a market, please notify your ambassador or Lee Gibson. You will not be penalized for missing a market.
