

Wimberley Market Days Vendor Referral - 2010 Season

Rules & Definitions:

- 1. This program is in effect for the 2010 season only (March through December.) A current vendor may earn a \$50 rebate on his/her 2010 rent for each new vendor referred for the 2010 season.**
- 2. A new vendor is defined as someone who did not lease a booth for the 2009 Market Days season.**
- 3. The new vendor must sign a lease for 2010 and pay the fee before the rebate will be granted.**
- 4. A rebate (\$50) will be granted for each qualified new vendor referred.**
- 5. The current vendor must complete and submit a Vendor Referral form for each new vendor referred in order to receive the rebate.**
- 6. If a current vendor who has signed a lease and paid for the 2010 season decides to lease an additional booth for the 2010 season, the vendor will receive the \$50 rebate on the additional booth. Additional booth is defined as one that was not leased by the current vendor for the 2009 season.**
- 7. The rebate will be issued in the form of a check to the vendor. This check will not be issued until all rents have been paid for 2010 by both the current vendor and the new vendor.**

The purpose of this program is for Market Days current vendors to receive a reward for helping to fill empty spaces by bringing in qualified vendors with products that will build the reputation of Wimberley Market Days. This is an offer made in good faith and fairness. The Lions reserve the right to refuse the rebate to any vendor that attempts to “game the system” and use the rebate for any purpose other than for which it is intended.
