

# Message from the Annual Leasing Managers

Message from the Annual Leasing Managers – Don Campbell and Nathan Deans.

We want to take this opportunity to thank all of you for your cooperation in making this one of the smoothest and most trouble-free lease renewal years we've ever had.

The hand-delivery of contracts by the Ambassadors worked especially well, so we will be continuing that process in years to come. We urge you to keep the communication lines open with your Ambassador. That is the best way to make sure your voice is heard. Each Ambassador takes care of about 40 vendors, which makes it much easier to pay personal attention to individuals. Of course the Leasing Staff is always happy to assist you when we can, but it is much harder to get that personal touch when you are competing with 475 others.

Your Ambassador will deliver your 2010 parking passes and vendor security badges this month. You will need to keep track of these for next year. We will not be mailing anything out in February, so if you do not get these passes today, please contact your Ambassador right away. Contact information for each Ambassador is listed elsewhere in this newsletter. Your 2010 Rules and Information Sheets were

delivered with your lease packets. If you do not have your copy, you can find them on our website, [www.shopmarketdays.com](http://www.shopmarketdays.com) in the Rental Documents part of the Vendor section.

Remember that we are **not** conducting a booth lottery this year. Those of you who checked the box on your contract that said you wanted to trade booths should have already been contacted by the leasing staff with a list of available booths. If you did not indicate your wish on the contract, you should come to the Leasing Booth **TODAY** during the market to see the list and make your choice.

You may contact the Leasing staff at any time as follows: Don Campbell [don@shopmarketdays.com](mailto:don@shopmarketdays.com), Nathan Deans [Nathan@shopmarketdays.com](mailto:Nathan@shopmarketdays.com) or Annette Harrington [annette@shopmarketdays.com](mailto:annette@shopmarketdays.com).

## Booths for sale

If you have paid your lease for 2010 and wish to sell your booth space, remember that we offer a listing on our Website for this purpose. Please send the following information to [Annette@shopmarketdays.com](mailto:Annette@shopmarketdays.com) to list your booth: booth number, size, brief description, price, contact information and one photo (optional.) Also remember to contact Annette to remove the listing when you sell your booth.

## 2010 Parking Passes this month

Your Market Days Ambassador will bring your 2010 parking and security passes to you this month during the December market. The goal is for all vendors to have everything they need for 2010 at the end of the December market day. There will be no mailout of information this year in February.

## Message from Market Day Manager BILL NOLES

As we come to the close of another Market Days season, let's stop and reflect upon our year. The weather cooperated with us for the beginning of the year, producing strong March and April markets. In May we struggled with the Swine Flu outbreak which dampened our crowd a little. Then Mother Nature struck with a vengeance, the summer heat wave. We battled over 100 degree temperatures all the way through September. Still the crowds came out and, I hope, most of you had good sales. October was a mixed day, with pretty good shopping

in the morning, but disaster when the heavy rains moved in about 1:30. Last month, November, was a perfect Market Day. The Lions Club had the biggest day in sales that we've ever had. Our crowd estimate, based on parking and concession sales, was between 11,000 to 12,000 visitors. Many of our vendors told us they had great sales last month as well so it was truly a day to celebrate. I hope today ends the season on the same strong note for everyone. At press time the weather forecast was clear and cool, a great day for Christmas shopping.

Merry Christmas  
and a Happy,  
Healthy  
New Year

winners. So be sure and spend the end of the day with us, have something to eat and discuss plans for next year. We look forward to visiting with you. Annette will post a summary of the meeting on the website for those of you who are unable to attend. Give her a week or so to get it done; it's a very busy time of year.

All of the members of the Market Days Management Team and Wimberley Lions Club wish each of you a healthy and happy holiday season. Please stay safe in your travels and we will see you the first Saturday in March, 2010.

## Santa Claus is coming to town

Remember that Santa and his helpers will be in booth 392 today, posing for photos and giving toys to our visitors who are young or young at heart. Santa will be in the booth 9:30-11:30am and 1:00-3:00pm. His helpers will be there all day. Be sure to send your friends and customers over for a visit.
