

Wimberley Market Days

vendor news & views

Vol. 5 #1 • March 2011

Frank Williams,
General Manager:

Market Day Update

- Barry Tyler has taken over a Field Treasurer for Scott Brown who resigned from that position. We are all pleased to have Barry join our Market Day Management Team.
- On the back side of this newsletter, we have added a roster of the MD Management Team as well as the Ambassador Roster.
- Some remodeling has been done next to the main office. Jack Bourke is now located in the first office along the fence and we now have a storage area and a conference room in that area as well. Frank Williams, General Manager, will be located at the Main office next to Concession # 1.
- A total Field clean-up was done on February 26th by the Lions. We will start cleaning and painting the rest rooms in March. A lot of repairs have been done around the field during our "off" period. Hope you notice the difference!
- We are working with the Hays County Sheriff's Department and the Wimberley school system to resolve the issue related to some vandalism at the field.
- Effective in March, 2011, Day Renting Registration **MUST** be done on-line! We will no longer take telephone calls on Thursday. More info can be obtained on our website at www.shopmarkdays.com.
- An ATM machine is now available at Hamburger Hill for shoppers convenience.

Please remember each Market Day:

Check in at one of the gates (even if you arrive the night before)

Be in your booth no later than 7:00am

Call 512-847-2391 if you will arrive later than 7:00am. Thank you!

VENDOR MEETING

The next Vendor Meeting will be held
Saturday, April 2, 2011 at 4:30pm
at the Pavilion after Market Day!

Refreshments will be provided.

Hope you can make it!

Advertising and Promotion play a very important role in our efforts to increase traffic at Market Days. We're trying new avenues for getting the word out in more areas, and would like your input. Please either fill out this form or e-mail madonna@suncountrypublications.com with your feedback. Thank you.
